

THE ADVENTURES OF CYBER-SURFER

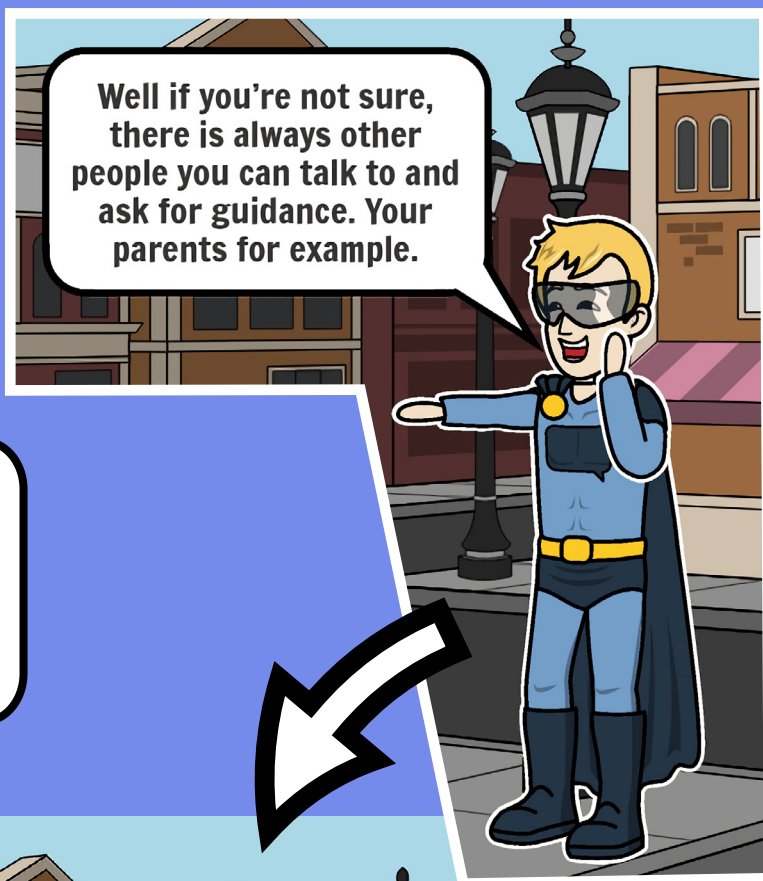

**STRANGER
DANGER**

Yeah I guess you're right. I probably shouldn't have trusted someone I only met online a few days ago!

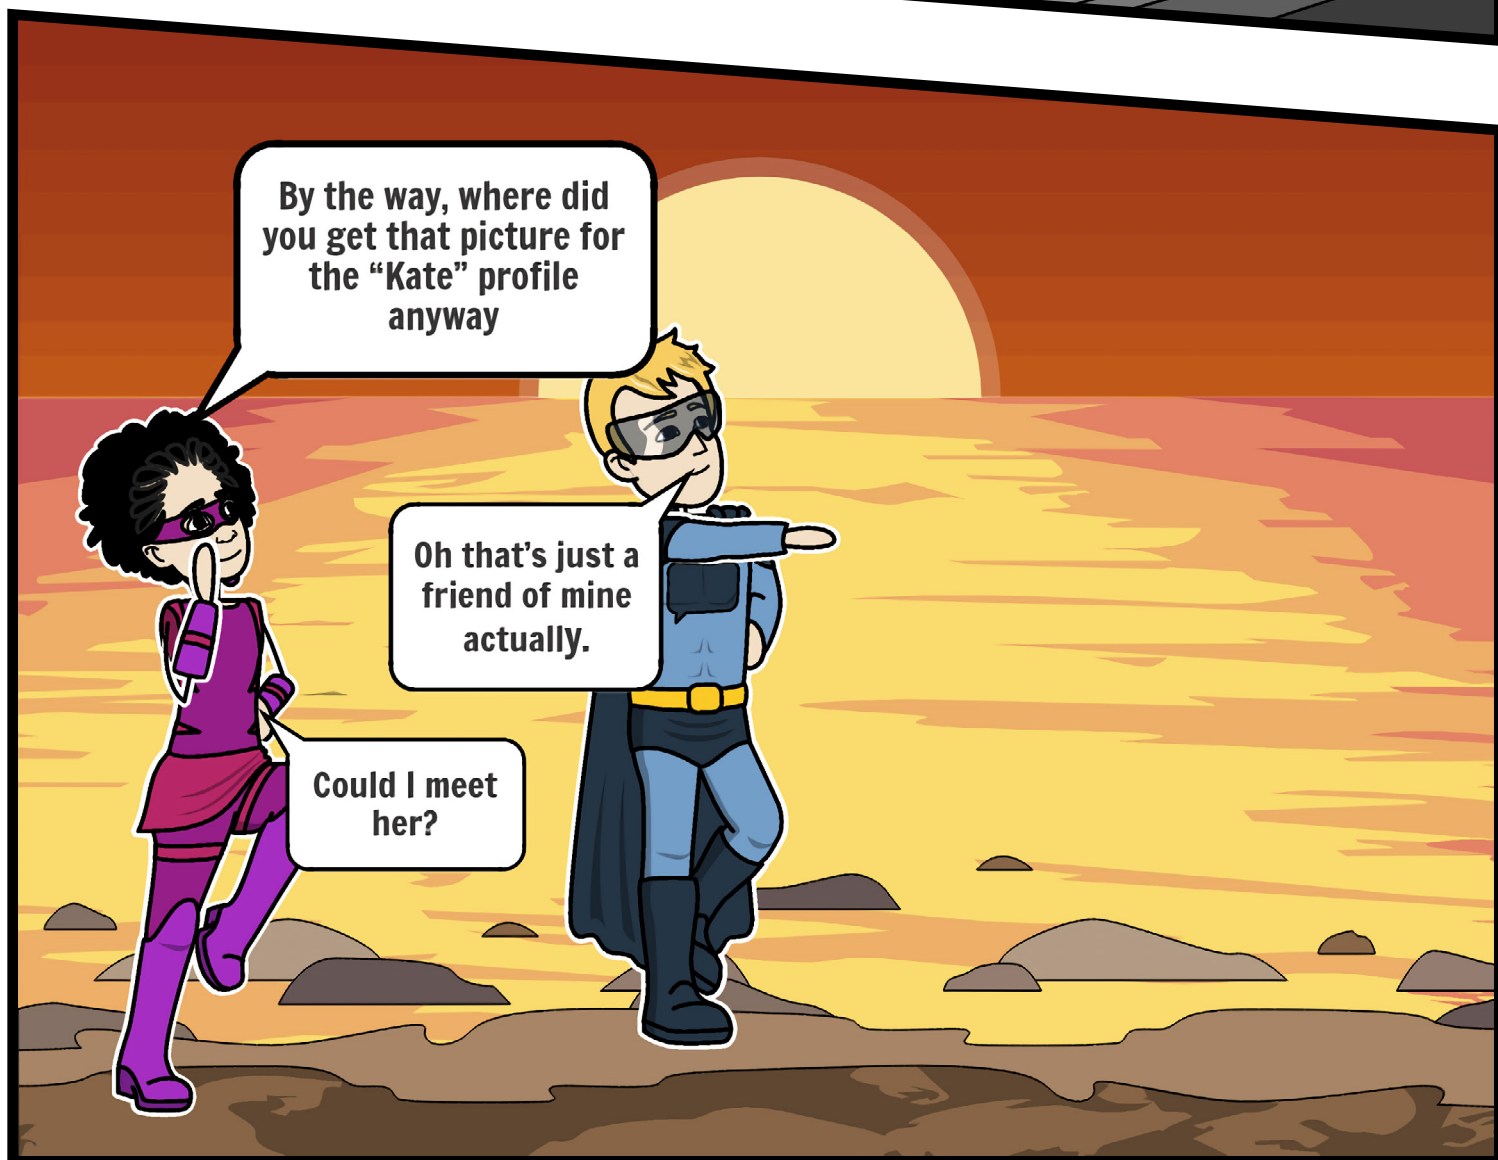

Well if you're not sure, there is always other people you can talk to and ask for guidance. Your parents for example.

The internet is a large place, filled with people of different ages and genders. Most are friendly, but some are there to take advantage of you.

But I mean, how bad can it be to meet someone in real life, right?

TIPS TO PREVENT STRANGER DANGER

- #1 - Don't give out personal information online.
- #2 - Don't talk to strangers online.
- #3 - Never meet with an online "friend" in person.
- #4 - Don't accept or respond to strange requests from people online.
- #5 - If you receive a message or request from a stranger online, tell a responsible adult.
